Songwriter: Mel Maryns

Label: Mel Maryns

ISRC: IETVI2200002

<p>[Verse 1] It's time to pack up everything Maybe I'll see you in the spring I've gotta say goodbye tonight So let's not waste any time</p> <p>[Pre Chorus] All the memories All the little things I promise I will hold on to</p> <p>Even though I know It's time to go I wish it wasn't true no oh</p> <p>[Chorus] My tears are falling down oh no I don't wanna say goodbye I'm sorry I won't be around oh no I'm moving to a whole new life</p> <p>I'm counting every breath I don't know when I'll be back</p> <p>But I'm counting every breath I don't know how long it will last</p> <p>[Verse 2] I feel a stranger in this place I know things won't be the same The days go by I only cry I think about my friends all night</p> <p>[Pre Chorus] Every step ahead I go back to the past Keeping all alive in my head</p> <p>Even though I'm gone I gotta move on So life can carry on no uh oh</p>	<p>[Chorus] My tears are falling down oh no I don't wanna say goodbye I'm sorry I won't be around oh no I'm moving to a whole new life</p> <p>I'm counting every breath I don't know when I'll be back</p> <p>But I'm counting every breath I don't know how long it will last</p> <p>[Bridge] I saw the sun went down on me The leaves fell right over me And the days were dark And I'm still apart All the flowers are back And I'm still here here here</p> <p>[Chorus] My tears are falling down oh no I don't wanna say goodbye I'm sorry I won't be around oh no I'm moving to a whole new life</p> <p>I'm counting every breath I don't know when I'll be back</p> <p>But I'm counting every breath I don't know how long it will last</p> <p>no oh oh I don't know when I'll be back no oh oh I don't know how long it will last</p>
