| <p>[Verse 1]<br/>I'd say we go up in flames together<br/>Let us stay in this moment forever and ever<br/>Maybe we can run away together<br/>We don't have to say "never say never"</p> <p>[Pre chorus]<br/>Oh, when you hold me tight<br/>I get lost in your eyes<br/>It makes me feel alive<br/>I could touch the sky</p> <p>[Chorus]<br/>You pull me like gravity<br/>Take me to another galaxy<br/>Don't take me back to reality<br/>You pull me like gravity<br/>Don't wake me up from this fantasy<br/>Cause losing you would be a tragedy</p> <p>ah ah ah<br/>ah ah ah<br/>oh oh</p> <p>[Verse 2]<br/>They say the ocean is a paradise (paradise)<br/>That's because they haven't seen the blue in your eyes</p> <p>I bet you if life were a movie<br/>I would only watch you even when it gets gloomy</p> <p>[Pre chorus]<br/>Oh, when you hold me tight<br/>I get lost in your eyes<br/>It makes me feel alive<br/>I could touch the sky</p> | <p>[Chorus]<br/>You pull me like gravity<br/>Take me to another galaxy<br/>Don't take me back to reality<br/>You pull me like gravity<br/>Don't wake me up from this fantasy<br/>Cause losing you would be a tragedy</p> <p>[Bridge]<br/>When you pull closer<br/>I feel a thunder<br/>Rushing into down my spine</p> <p>And it makes me wonder<br/>If when I'm older<br/>You would still hold me tight?</p> <p>[Chorus]<br/>You pull me like gravity<br/>Take me to another galaxy<br/>Don't take me back to reality<br/>You pull me like gravity<br/>Don't wake me up from this fantasy<br/>Cause losing you would be a tragedy</p> <p>No oh oh oh</p> <p>I'd say we go up in flames</p> |
