### [Verse 1]

Julie is a girl in my class  
blonde hair and little white dress  
she makes everyone so impressed  
Julie got a pretty boyfriend too  
too bad that Harry hasn't got a clue  
that lately she's acting differently

### [Pre chorus]

Julie seats to next to me  
tells me all about her family  
talks to me as if no one can see

### [Chorus]

(but I can) she got her eyes on someone new  
and I know it's true  
I see it in my rear view  
she thinks I don't know but I know  
the way she says hello  
It's so easy to show  
but she doesn't know that I know  
oh oh oh  
but she doesn't know that I know

### [Verse 2]

Julie called me on the phone last night  
but then she hung up in a sigh  
good thing it was midnight  
the next day Julie comes up to me  
she thinks I didn't even see  
that she tried to talk to me last night

### [Pre chorus]

Julie tell me why the mystery  
Is it because no one else see what I see?  
I know why you're acting shady

### [Chorus]

(I'll tell you) she got her eyes on someone new  
and I know it's true  
I see it in my rear view  
she thinks I don't know but I know  
the way she says hello  
It's so easy to show  
but she doesn't know that I know  
Oh Oh Oh  
no

### [Bridge]

this is when it all went down  
I think I saw Harry downtown  
he was with Julie but something  
was wrong  
the air was heavily strong  
I could feel the thunderstorm  
something was about to fall  
and I'll tell you why

### [Chorus]

she got her eyes on someone new  
and I know it's true  
I see it in my rear view  
she thinks I don't know but I know  
the way she says hello  
It's so easy to show  
but she doesn't know that I know

### [Pre chorus]

Julie called me on the phone last night  
told me that something wasn't right  
and finally she said

### [Chorus]

"I got my eyes on someone new  
and I gotta tell you  
that I'm all about you  
I don't know if you know  
but every time I said hello  
I was hoping you'd know  
that I'm all about you"

### [Final]

oh it was always you  
It was always you  
I was all about  
You
